

# RENOVATION RULES!

Hi....Strataman here,

Its holiday time and many of us have the time and the inclination to think about completing a renovation project or two around the home.

The new legislation on the 30th November 2016, has brought with it changes to the approval process for renovations within Strata. There are now 3 tiers of renovations – Cosmetic, Minor and Major. A clearer, more common sense approach will mean that some minor cosmetic changes like installing blinds or hanging curtains or hanging a picture or coat hook can go ahead without approval.

Tune in next week for details on minor renovations. Go to [www.strataman.com.au/QandA.html](http://www.strataman.com.au/QandA.html) for all the latest on the new Strata Legislation.
