

IT'S JUST A MINOR THING!

Hi...Strataman here,

We all love a bit of renovating, and Strata dwellers are no different. The only difference is that approval is required when renovating in a Strata building. The recent changes to the Strata legislation have made this process clearer. A minor renovation with a lasting impact, such as installing floorboards, renovating a kitchen or reconfiguring a wall requires a 50% approval at a general meeting. Always ensure that you obtain approval before commencing your works. Tune in next week for details on major renovations. Go to www.strataman.com.au/QandA.html for all the latest on the new Strata Legislation.
