

MAJOR RENOVATION AT YOUR SERVICE!

Hi...Strataman here,

For those Strata Dwellers who are brave enough to tackle a major renovation to their lot – read on..... Any renovation that involves waterproofing – bathrooms, balcony, laundry or those that affect the structure or external appearance of the building, will require a 75% approval via a special resolution at a general meeting. Your Strata Manager can guide you through this process.

It is critical that no works are commenced prior to obtaining approval as this could end up being a very costly mistake.
