

# OUR LOVE OF PETS

Hi....Strataman here,

Australia has the highest rate of pet ownership in the world – we love our 2 and 4 legged friends! It is estimated that one in five people in NSW live in a strata scheme and this number is set to rise. So how can pets and strata co-exist?

Choosing the right pet and being a responsible pet owner is critical for apartment living. Many factors need to be taken into account when choosing a pet as sometimes the obvious pet isn't necessarily the best pet for the environment.

Next week we will look at dispelling some of these strata pet myths.
