

SIZE DOESN'T MATTER

Hi....Strataman here,

Pets in Strata myths busted!! A large dog in an apartment – No way!! Yes way – a large dog can happily live in an apartment – in fact, some large breeds require less exercise and are more suited to apartment living than some of our smaller 4 legged friends who can have high energy levels and can be noisy. Any pet needs regular exercise - whatever their size!

Now is the time to be reviewing your bylaws to ensure they reflect a sensible approach to pets.
