

MOULDING MODEL BY LAWS

Hi....Strataman here,

Model by-laws are a guide for Strata Schemes and provide schemes with options to consider. A new set of Model by-laws became available with the new legislation back on 30th November 2016 and contain some new alternatives to consider.

It is important for all residential strata schemes to review their current by-laws by 30 November 2017. Schemes should consider making changes to better manage issues in their building or consider options that best suit the lifestyle of the owners to take them into the future.

More on by-laws next week.
