

LEADING THE WAY

Hi...Strataman here,

A strong, focused, inclusive strata scheme starts with a strong inclusive Strata Committee.

A Strata Committee that is community focused and is able to make and action decisions in a timely manner will ensure that the scheme is robust with a clear vision and plan for the future. A Strata Committee that is clear, concise, reasonable and informative will gain the respect and appreciation of the owners and residents. As a member is it critical that you respond to all enquiries and stay in touch to maintain a strong sense of community.
